The screenshot shows the Microsoft Azure Marketplace interface. The browser address bar displays the URL: azuremarketplace.microsoft.com/en-us/marketplace/apps/bisemacorporation1582563805359.bsa_saas_service?tab=Overview. The page header includes the Microsoft logo, navigation links for Azure Marketplace, Apps, and Consulting Services, a search bar, and links for Sell, Blog, and user preferences.

The main content area is titled "Products > BiSemA SaaS Specification Services for Office Furniture Dealers". It features the BiSemA Corporation logo, a "Free trial" badge, and a "Get It Now" button. The pricing information states "Starting at Free". The categories listed are "IT & Management Tools", "Support", and "Help". The legal section mentions "Under Microsoft Standard Contract" and "Privacy Policy".

The overview text describes the service: "Furniture, Office furniture specification, AutoCAD, Revit, Furniture Dealer, Floor plan space layout. BiSemA is a cloud-based office furniture specification service that created a contract specification platform for a remote and collaborative work environment that allows many users to work on one project to finish within a short period for one sales order. Using BiSemA services, furniture dealers, architects, space planners, and property managers dealers can work in collaborative teamwork environments to design space layouts and present the furniture catalogue saving time and workforce with low subscription fees. BiSemA delivers office furniture catalogue data with Microsoft Azure integrating with Microsoft Dynamics 365 Business Central ERP application to a user's AutoCAD and Revit application to provide flexible, cost-effective, collaborative, and easy-to-use space layout specification services on the cloud. This integration helps the user see its specification office layout workstations using Augmented Reality and Autodesk Forge. It allows for dealers for marketing tools with no additional subscription fees. Learn more. BiSemA Corporation Presentation. BiSemA Cloud-Based contract office furniture specification services."

The footer contains four columns of links: "For customers" (Follow @AzureMktPlace, Test Drives), "For publishers" (Sell in Azure Marketplace, Publish in Azure Marketplace), "For consulting partners" (Cloud platform competencies, Participate in Azure partner Quickstarts), and "Microsoft Azure" (Solutions, Products).
